DRM portfolio and relevant changes to DRM support strategy

In 2020, the majority of Switzerland's support to DRM was channelled through a range of international and regional organizations. International support includes funding channelled through the World Bank Global Tax Program, the IMF Resource Mobilization Thematic Fund (RMTF), the IMF Managing Natural Resources Wealth Thematic Fund (MNRW-TF), TADAT, the OECD Tax Program for Developing Countries, the Platform for Collaboration on Tax, and the Extractive Industry Transparency Initiative (EITI). Regional support provided by Switzerland includes funding channelled through CIAT on strengthening tax administration in Latin America and the Caribbean, ATAF, and IMF Regional Technical Assistance Centres.

Switzerland also provided bilateral support to eight countries. Its largest bilateral programmes supported DRM reforms in Azerbaijan, the Kyrgyz Republic, Vietnam and Tajikistan, technical assistance to Burkina Faso to digitize the country's central tax administration, and effective revenue mobilization and management in Ghana.
